

Directions to Botton YO21 2NJ

Depends where you're coming from....

From Middlesbrough (and coming south down A1 or A19)

Follow A172 / A171 - to Whitby

Pass Guisborough. After coming up a short, steep winding hill with a car park at the top, on left, drive for approx 1 mile then turn right at the top of another *sloping* hill (Castleton, Hutton Le Hole).

Follow moor road for approx 3 miles into Castleton. Keep going til you come to a T junction in the village centre. (Tea shop on your left)

Turn left and follow road down hill past the church on the left. IGNORE SATNAV IF IT WANTS YOU TO TURN RIGHT BEFORE THE CHURCH. Second right (third if you count little entrance to mini housing estate at Hairdressers) turn to 'Botton Hall' on signpost.

Follow road up hill, bear left and along until you see Danby Primary School on your right. Turn right immediately before the school.

Follow road for 1 mile until you drive through the middle of a farm - Church House Farm

Carry on along road for another mile. Turn left at the crossroads and park anywhere on left side for Botton School (daytime venue / tickets and info). School is 100 yards up hill on right side.

Joan of Arc Hall – go straight on at crossroads (**15mph MAX speed limit**), past big wooden shop on left, over flat bridge til you come to a T Junction. Turn left, up hill 50yds, car park is on your left.

Campsite – straight on at crossroads, 50 yards on right.

Coming North up A1 or A19

(Less busy route)

Turn off A19 near Northallerton onto A172 to Stokesley

At Stokesley, go straight on at the roundabout heading for Great Ayton, Guisborough

After approx 200 yards (past a few of big houses on right and opposite a big house on left) take a sharp turn right to Kildale.

Follow winding country road for 10 miles through Easby, Kildale then on 5 miles into Comondale. Down hill into Comondale village 'centre' and turn right at the pub on your right. Follow road, right at the fork, under railway bridge and on up hill onto moor til you come to T Junction (top of Castleton High St).

****Turn right and follow road round to left onto high moor. (not caravans / large campers)**

Straight on for 2 miles until you see festival signs on left and then turn left down a very steep hill (**no caravans etc allowed**). Follow road down into Village, straight on a crossroads and park on left for School etc or turn right at crossroads for Joan of Arc Hall & Campsite (see above).

****Alternatively, turn left a T junction, down hill through High St., past ex Tea shop on left then second (or third see above) right to Botton Hall. (see above)**

(Busier roads but more direct)

Turn off A1 onto A170 to Thirsk. Follow road (to Scarborough) through Helmsley and Kirkbymoorside towards Pickering.

Turn left to Hutton le Hole. Drive through H le H and follow road up onto moor. Pass big pub on left (or better still call in as its fab!!) The Lion Inn – Blakey Ridge and pass turn off on left for Farndale.

About 1 mile further on, follow Festival signs and turn right down very steep, winding hill (see above) NO CARAVANS OR CAMPERS – if you have one, you will need to carry on 2 miles to Castleton, down into High Street and follow directions as above.
